GROUP LEVEL DESCRIPTIONS:

Group I People who are committed to Work, talk about Work, what Work means, and have a real wish to find reality in order to apply it.

Group II Discuss Work attempts and getting clear about Work. Application of ideas in ordinary life.

Group III Discuss general problems of life rather than Work itself. Lean tools of Work, what is Work.

Group IV A general discussion of interests, not specifically Work. Searching and considering the possibility of an inner life and its development.

Nucleus This was an inner circle of meeting moderators which assisted Mr. Nyland with decisions, running meetings, etc.
